

C56: TC011 – Product information is displayed correctly

Type	Priority	Estimate	References
Functional	Medium	None	None
AI Automated Test	Automation Type	Is Automated	
None	None	No	
Labels			

Steps

1	Log in with valid credentials.	The user is successfully logged in and the "Product" page is displayed.
2	Check the product cards.	Product cards are displayed correctly. Each product card displays the product name, description, price, image and "Add to cart" button.
